PALS Precourse Instructions (Required!)

This document provides instructions for how to prepare for your PALS course, and how to access the REQUIRED PRECOURSE TEST THAT MUST BE COMPLETED PRIOR TO CLASS.

Address for Class:

CPR Louisville
4010 Dupont Circle
Suite L-11
Louisville, KY 40207

Arrive on Time:

Please plan to arrive on time because it will be difficult for late students to catch up once we start. Students are expected to attend and participate in the entire course. If you arrive later than 15 minutes after class start time you will be asked to reschedule.

How to Prepare:

- Review and understand the information in your PALS Provider Manual. Please review all the sections throughout the manual.
- Pay particular attention to the following sections below listed in the table of contents:
 - Review of BLS and AED for infants and children
 - The Systematic Approach to the seriously ill or injured child using the evaluate-identify-intervene sequence
 - Recognizing and Managing Cardiac Arrest
 - Recognizing Respiratory Distress and Failure
 - Managing Respiratory Distress and Failure
 - Recognizing Shock
 - Managing Shock
 - Recognizing Arrhythmias
 - Managing Arrhythmias
 - Post Cardiac Arrest Care
- Throughout the PALS provider manual there are treatment algorithms. There is one for each specific condition/emergency. Become familiar with all the treatment algorithms throughout the PALS Provider Manual.
- You will be expected to recognize cardiac rhythms and understand PALS pharmacology. These topics are not taught in this course.

Step #3

After you launch the course, this is the screen you will see next. Click **START** to begin the assessment. Please note, you can save and return to complete the precourse assessment at any time. You do NOT have to complete this in one session. You must save your login information to access your course again.

The screenshot shows the American Heart Association eLearning platform. At the top, there is a logo for "American Heart Association eLearning" with a red heart icon. Navigation links include "Courses", "About eLearning", "Support", "Get Involved", and language options "EN". Below the header, the page title is "PALS Precourse Self-Assessment". A sub-header states: "The Pediatric Advanced Life Support (PALS) Precourse Self-Assessment evaluates a student's knowledge before the course to evaluate proficiency and determine the need for additional review and practice." A laptop icon displays the "PALS Precourse Self-Assessment" interface. A message box at the top says: "Attention: Please read the course description completely before starting the course." Below the message, the "Course Description" section starts with "Welcome to the Pediatric Advanced Life Support (PALS) Precourse Self-Assessment". It includes a list of things to know before taking the course: "All students must complete the Precourse Self-Assessment and achieve a score of at least 70% before taking the PALS Course." and "Students must print their scoring report and bring it with them to class." A "Start" button is visible at the bottom of the course list table.

Step #5

Bring **both** the Precourse Self-Assessment Result sheet above and your completion certificate shown here with you to class.

YOU MUST have your Precourse Self-Assessment to get your eCard.

If you do not have a printer, download the certificate and then email the certificate to our office, and let us know it is for your upcoming class and provide the date you are registered. Have your AHA login information with you on the day of class so that you can login to your account and show the instructor the certificate.

If you have any questions prior to the class, please contact us at **502-804-6132** or email us at info@CPRlouisvilleKY.com. We look forward to seeing you for your stress free and fun PALS class!
